# Cervical Screening Key Messages

**ANSWER  
CANCER**

## Key Messages:

### If it's unusual for you – see your GP

We know our own bodies. If you notice anything unusual, book an appointment to talk through with your GP.

### Early detection saves lives

Those who regularly attend their screening are more likely to have early cell changes found, usually **before** they turn cancerous.

### Cervical screening saves lives

Cervical screening can find cell changes early, **before** they have had chance to become cancerous.
